AccelHealth A Helping Hand Towards Recovery

Did you know that Substance Use Services are available for our patients? AccelHealth offers a helping hand with treatment and recovery for opioid and other substance use disorders.

At AccelHealth we encourage you and your family's support and participation in each step of your healing journey.

Substance Use Disorders (SUD) services include:

Assessment, Diagnosis, Treatment, and Therapy for individuals, couples and families.

AccelHealth provides:

- **Therapy-Individual and Group Sessions**
- **Medication-Assisted Treatment (MAT) for Opioid Use Disorders**
- **Alcohol Use Disorders**
- **Medication for Mental Health Disorders**

Our specialty team of Physicians, Clinicians, Psychiatric NP and Licensed Counselors are ready to provide compassion, respect and a helping hand to those on the road to recovery.

AccelHealth is a Federally Qualified Health Center.

Federally Qualified Health Centers are community-based health care providers that receive funds from the HRSA Health Center Program to provide primary care services in underserved areas.

They must meet a stringent set of requirements, including providing care on a sliding fee scale based on ability to pay and operating under a governing board that includes patients. For more information visit www.hrsa.gov

Payment Options

Sliding Fee Scale

A sliding fee scale discount for services is based on income and number of family members. This discount is confidential and persons applying for the discount must provide documentation of income.

Insurance

We accept most **private insurances** as well as **Medicaid, Medicare** and the **Children’s Health Insurance Program (CHIP)**. We provide “**Affordable Quality Care**”. Based upon a patient’s ability to pay.
